PERSONALIZED SPECIALTY LICENSE PLATE APPLICATION

Specialty license plates are issued for passenger, light commercial vehicles, trailers, or other types of vehicles excluding motorcycles and vehicles required to be registered pursuant to NRS 706.80 to 706.861. Fees vary by plate; see the reverse for appropriate fees. Fees are in addition to all other registration fees.

This application is not required for sequential (counter) specialty plates. Your personalized specialty plates will be mailed to the current address of record maintained by the Department. If you ordered your personalized specialty plates via mail, your plates will be forwarded to the DMV location specified on the application and you will be notified, by mail, when the plates are available to be picked up. If your vehicle is currently registered, you have the option of maintaining your current vehicle registration expiration date, or renewing for a full 12-month period. Credit for any unused portion of your current registration will be allowed. In applicable counties, if you are renewing for a full 12-month period, and your previous evidence of compliance with emissions standards was obtained more than 90 days ago, the vehicle must be re-inspected prior to registration.
